Big Events Planned For Hilo New Year

HOMOLULU BALL TEAM ON THE CARD

A baseball game to be held between the All-Hawaii team and an aggregation from Honolulu is mentioned as among the features which are being planned for the New Year's races and sports at Hilo. The Hilo Tribune has to say, in regard to this race meet:

Crowds of visitors from all parts of Hawaii, as well as from the other islands, may be expected in Hilo for the New Year holidays, the special attraction being two days of excellent sport at Hoolulu Park. Under the skillful direction of J. O'Rourke and Philip Brugnell, the arrangements are well in hand for such a gala week as Hilo has never before witnessed.

The race program, which includes seven events on Jan. 1st and ten on Jan. 2d, is one that should provide some exciting contests, that must quicken the pulses of all lovers of good sport, and the purses offered are big enough to bring out a lot of worthy contestants.

Interest will center on the first day in the great race for the Merchants' Stakes of \$1750. For this event five noted racers are named, viz: Adin, Bruner, Yoio Girl, Frolic, and Bononica. The Hilo horses, will have many backers and an honest contest will take place for the big money.

The other races on New Year's Day embrace three for Hawaiian-bred animals, viz: one over the half-mile distance, another over three-quarters and a third for a mile. A half-mile Japanese sweepstake, a mile hurdle race, and a three-quarter-mile free for all are included.

There will also be a relay race, a wild horse race, bronco busting and other contest to suit the horses that may be at the track.

Other popular features of the first day's gala layout include football and baseball matches. For the football a match is to be arranged between an All Hawaii team and one from Honolulu, and this is sure to arouse much interest. Two good teams of baseballers will also be got together to provide a spectacle for lovers of the national game.

For Saturday, Jan. 2d, the program is a long and varied one.

The mile race free to all, the five-eighths mile free to all, and the three-quarter mile free to all are the leading events, but the pony races, the two Japanese events, the two Hawaiian races, and the cow pony race should also prove strong attractions.

Entries for all races may be made up till Dec. 26th.

Roller's Manager To Meet Him In 'Frisco

Doctor Roller and Peter Baron, who leave tomorrow on the Siberia for the Coast, expect to be met at San Francisco by Roller's manager, Tom Carroll, who will tell them what his plans are for the future of the big athlete, and the three will get together and mature the plans. This is the last day on which the old trainer will be seen about the Healan boat house, and on which Dr. Roller will train in Hawaiian quarters.

His visit here has been productive of the results which he desired, and has been a great success in its own way.

SPORTIVE SPLURGES

Handsone prizes are offered for the two-ball foursome which is to be held tomorrow at Moanalua by the Honolulu Golf Club. Entries close at 10 a. m. tomorrow on the links, all members of the club being eligible to compete. Two steins in old copper and silver, with pewter inside, are offered for this play.

Training for the regatta this week is on in full blast. The regatta is to be held at the beach during the visit of the Fleet here—whenever that is to be, and the men who expect to enter are working out daily, with their canoes and surfboards.

THE COURTLAND

Is a private hotel in a quiet neighborhood; it is newly furnished throughout; its bedrooms have bell service and are mosquito-proof. The table and service will be especially fine.

It is not a large place; we'd rather care well for a few guests than indifferently for many.

The Courtland will be an ideal home for married people. It will be opened Thursday, October 15th. Phone 934; P. O. Box 291.

NELSON SAYS LEAHY IS CLEVER BOXER

"Leahy is all right. He is a very classy boy, and that's certain. We did some very fast boxing yesterday, and he showed up as wonderfully clever. Yes, he is as good a boxer as Charlie Kelly." So said Young Nelson this morning, not in depreciation in any sense of Kelly, but in very great admiration for Leahy, with whom Nelson is sparring.

These men have moved their training quarters to the Healan boat house, which both think the ideal place of this city for the purpose. They work out every afternoon at 3 o'clock.

MEN'S TENNIS ENTRIES CLOSE NEXT THURSDAY

Entries will close Thursday, Oct. 15, for the men's championship singles matches, which will be played Saturday, Oct. 17. The event is open to all players in the Territory. The book is open at E. O. Hall & Sons.

The Electricians are playing the Davies team in another game of baseball at Asia Park this afternoon for the commercial championship of Honolulu. The bunch from Davies won last time.

Joe Leahy was victimized by a pretended drowning person yesterday, who beguiled the pugilist to a plunge beneath the waves of the Pacific.

ECLIPSE LONG BOAT DECLARED SEAWORTHY

United States Shipping Commissioner Almy received a letter recently from Washington, in which it was stated that it was found as a result of investigation at San Francisco that the long boat of the founded ship Eclipse, which arrived with fourteen men at Hana on January 27th last, was not unseaworthy. Mr. Almy is forwarding to Washington substantiation of original charges of unseaworthiness, in the form of affidavits, from the survivors and from W. O. Aiken, deputy collector of customs at Kahului, to the effect that the boat was absolutely unseaworthy, and practically fell to pieces on arrival at Hana, after having been held together by means of canvas, ropes, and spuyarn.

On January 11, 1908, the Eclipse, bound from Newcastle for the Coast, was in a sinking condition 950 miles north of these islands. Captain Larsen ordered the men to take to the boats. They got away in the long boat and the captain's gig, but shortly after the gig capsized, and sixteen men were crowded into the long boat, which shortly began to go to pieces. It was bound together in some fashion, until, after 16 days, in the course of which two of the men died from exposure and lack of proper food, the party arrived at Hana. Here, the ribs of the boat were found absolutely so old that they would not hold nails.
